Dear Fellow Lakeshore Neighbors,

I am writing to express my candidacy for the Board of Directors for the 2026–2027 term. As a fellow homeowner, I deeply value our community and care about preserving both the quality of life in Lakeshore and the financial well-being of every resident.

We are currently facing significant projects and decisions that impact all of us. Navigating projects of this magnitude requires careful oversight, fiscal responsibility, and strong collaboration.

If elected to the Board, my core priorities will be:

Transparency: I believe in open communication regarding community decisions, financial planning, vendor selection, and project updates.

Compassion for Neighbors: Major assessments and ongoing projects place a real financial and personal burden on residents. I will advocate for practical, empathetic solutions that protect property values while respecting the financial realities of our community members.

Collaborative Leadership: Addressing major infrastructure needs demands teamwork. I am committed to working productively alongside fellow board members, management, contractors, and homeowners to ensure projects are executed efficiently and cost-effectively.

Thank you for your consideration, and I look forward to working together for Lakeshore.

Warm regards,

Glen Swearengin
