Hi, I would like to tell you a little bit about me, my name is Salvatore Cataldo, I have 2 daughters and 5 grandchildren I was born in Italy and my family moved to Canada when I was 5 years old, I worked as a computer technician for 25 years in Toronto Canada, and ran a General Store. After moving to Florida in 2005 I worked for Hotwire Electric installing and repairing backup generators for homes, then in aviation for Pac Seating as a Seat Technician, then for Pursuit Boats as a Harness Manufacturing Technician, I am presently working full time at Fedex started as a Maintenance Technician five years ago and for the past two years I have moved to a Maintenance Service Representative position. I designed a commercial building with living quarters on the second floor and was the contractor I subcontracted work and did a lot of work myself as an owner builder. I have managed properties and businesses I enjoy and value spending time with family and friends, I like doing handyman work myself, I like to travel but I also like my quiet time.
