Let's Continue the Work We Started

Warm regards, I once again submit my name as a candidate for the 2027 Board of Homeowners Association of Lakeshore Club Villas.

We still have more to do. For this reason, I am asking for your vote and support to continue the labor that we started.

I am pleased with the work and effort provided by all the BOD team.

Let's work together to Achieve the Goal! What is the main goal for this year? THE SEWER SYSTEM
