

My name is Evelyn Rivera-Miranda and I have served you as a member of the Board for the last two years. I am once again asking for your support of my candidacy to the Lakeshore HOA Board of Directors. This is a challenging job but one that I love doing as I am very passionate about this community and its residents.

As a diversified community, I am in the position of helping both our English and Spanish speaking residents. I work "behind the scenes" but I feel confident that I got many things done and have brought many positives to us all.

I keep a close communication with Polk County and its resources. I have arranged for a waste container, free pick up of disaster debris, law enforcement, roads and others. I have met with our District Representative to make him aware of our needs and our current problems with our sewer lines. My co-members of the Board and I keep an open line of communication with his office and his assistants. This is a valuable resource to have as we face these challenging times.

I also lead the Beautification Committee and along with some volunteers, we are keeping a beautiful island for your enjoyment as well as a nice and clean appearance of our common areas throughout Lakeshore.

Let us keep an open communication and a transparent Board for the residents. Let us keep working together to keep us safe, care for one another and enjoy our lives and our families in Lakeshore.

Sincerely,

Evelyn
