Please consider this my intent to announce my candidacy for the Lakeshore Home Owners Association Board of Directors. My name is Susan Hageman and after spending two winters here in our lovely community I purchased my villa eighteen months ago. I cherish my time here and am running for the BOD because I want to give back to this community and help ensure it remains a wonderful place to live for everyone. My past professional experience involves skills such as budget management, project coordination, and community relations. I believe these skills will be valuable in helping the BOD operate efficiently and make sound decisions that benefit all homeowners. .

If elected, my primary goals for our Lakeshore community would include:

- Reviewing our budget to ensure our funds are allocated efficiently and responsibly and sharing that with our homeowners in a clear and transparent way.
- Enhancing communication between the board and all of our residents by providing crystal clear and consistent updates.
- Hands on approach to resolving conflict or addressing issues to benefit the group while also identifying the needs of each owner.

I believe in a collaborative approach and am committed to listening to the concerns and ideas of my neighbors. I will work diligently to represent your interests and to ensure our communities resources are managed with care and transparency. I am enthusiastic about the opportunity to serve, and I am committed to making a positive impact. I ask for your support and your vote in our upcoming election.
