

Yolanda O'Neill

Retired Human Resources PPL Utility Company

RECEIVED  
OCT 23 2025

Warm regards, I once again submit my name as a candidate for the 2026 Board of Homeowners Association of Lakeshore Club Villas.

This past year has been intense, full of challenges that we have overcome as a Team. The results are obvious, many of them include the replacements of AC units such as the Auditorium, Laundromat, Chapel, Library, Game Room and the new Nail and Spa Facility.

We removed tons of junk and debris that were accumulated throughout many years in the Maintenance Department with the purpose of providing our employees with a safer and additional work area.

We remodeled and renewed the gym area and other common areas available to the use and service of our community.

We still have more to do. For this reason, I am asking for your vote and support to continue the labor that we started.

Let's Continue with the Change!
